

Gratitude Letter to Denis Zhurba

ITMO University stands as a beacon of tech innovation, pioneering research, and exceptional expertise, with a vibrant community of over 14,000 students and a dedicated faculty of 1,200 professionals. Among our many achievements, our sports programming team, an eight-time world champion at the ICPC student Olympiad, shines brightly.

On behalf of ITMO University, I am compelled to extend our deepest gratitude for the remarkable expertise and mentorship you provided at our Business Analysis event on June 20, 2023. Your participation as CEO and Founder, coupled with your unparalleled skills in product management, offered an extraordinary dimension to our gathering.

Your adeptness in navigating the complexities of product management, project management, and technologies enriched the dialogue and learning environment immeasurably. Guiding over 120 students through 32 diverse projects, you imparted wisdom and practical insights that were invaluable. Your mentorship not only enhanced these projects with real-world applicability but also seamlessly connected academic theories with the pulsating rhythms of market dynamics.

Your presence at our event, invited for your industry-leading expertise and accomplishments, highlighted the exceptional caliber of your contributions to the digital technology field. Your insights have not only propelled our institution forward but have also set a lofty benchmark for excellence within the broader professional community.

We eagerly anticipate further opportunities to collaborate, confident that your involvement will continue to raise the bar for excellence in our educational endeavors.

Thank you once again for your invaluable contributions and for being such a pivotal figure in the success of our Business Analysis event. Your expertise, vision, and guidance have been a beacon of inspiration for all of us.
